TOTAL Credits Required	26

- Physical Education (PE) credit is earned on a pass/fail basis through participation in school-sponsored athletics or an approved off-campus PE activity. Off-campus activities must be supervised and documented by a parent or instructor. Students may earn 0.5 PE credit per semester by completing at least 70 hours of participation. A maximum of 2 PE/Athletics credits may be applied toward graduation requirements during a student's high school career.
- Work-Study/Internship may be used as an elective credit (pass/fail) in the student's senior year with prior administrative approval.
- Students who take Algebra 2 and Chemistry in 10th grade are required to progress to Pre-Calculus and an upper science in 11th grade.
- Students must complete a minimum of 165 total community service hours to graduate. Yearly minimums:
Freshmen – 25 hours | Sophomores – 30 hours | Juniors – 50 hours | Seniors – 60 hours.
